Coleman Students Receive Awards

The Coleman Home and School Association held its regular monthly meeting September 17th when highlight of the evening's program was the presentation of the scholarship awards to Coleman students. Over one hundred parents and students were welcomed by Home and School President Mrs. Helen Neddo, who, after a short meeting, introduced School Principal Horace Allen, who took over the duties of master of ceremonies for presentations.

Mr. Allen called on Past Exalted Ruler of the Coleman Elks Lodge, who on behalf of the Elks, presented Miss Marilyn Ruth Liddell and Colin Trevor Collier with cash awards for having the highest standing in grade nine.

Both students had "H" standing. Mrs. Helen Neddo, on behalf of the Home and School, presented a cash award to Miss Janina Stella Sieracki for having the third highest standing in grade nine.

Chairman of the School Board, Steve Mraz, was then called upon, and prior to naming the winners in grade ten, announced that the marks had been so high and so close that the Board felt that such an accomplishment could not go unnoticed, and thus they decided to award additional prizes.

Prizes were awarded to Fay Radley, 90.7 per cent average, Bruce Bagley, 87.1 per cent; Barfina Deluca, 83.2 per cent; Barbara Koury, 81.9 per cent; Dennis Collier, 81.2 per cent; Marlene Krish, 81.2 per cent, and Joe Aiello 80.9 per cent.

Ted Kryczka, representing the Coleman Lions Club, then called on James Montalbetti and Robert Franz and presented each with cash awards for the highest marks in grade eleven.

Honored Royal Lady, Mrs. G. Taggart of the Coleman Royal Purple Lodge, was introduced and presented Jerry Rejman with a cash award for having the highest marks in grade twelve.

Mrs. J. Gray of Blairmore, re-

presenting the Crows Nest Pass Local of the Alberta Teachers' Association, was also introduced, and also called on Jerry Rejman and presented him with the ATA award for being the student going into the teaching profession and having the highest marks in grade twelve.

Fire Chief Henry Zak of the Coleman Volunteer Fire Brigade, who sponsor an award for the second highest marks in grade twelve named Wilfred Green, who was not able to be present for the affair, as winner of the scholarship.

Principal Horace Allen accepted the award on behalf of the student.

After receiving the awards each of the students expressed individual thanks to the sponsors, the teaching staff and their parents.

In concluding the affair, Principal Horace Allen expressed sincere thanks to the teaching staff of the Coleman school for their good work and interest in the students. He also thanked the parents for their guidance and the students for the fine effort they have put forth during their school years.

He strongly stressed the need for an education in today's life and advised the students that there was more and more money being made available for students wishing to get ahead. He stated that in the past years much help has been given to worthy students and added that not only Coleman was interested in its students, but the country is also highly interested.

Mayorality and Three Vacancies on Council

Coleman town council met last week when it was announced the term of Mayor Frank Aboussafy expired this fall, and that with the resignation of Councillor Feruccio Dececco there would be three vacancies on council as the terms of Angelo Toppino and Walter Dibble expired. Deadline for nominations is September 26 with elections if necessary, to be held on October 17.

It was reported that Banister Construction Company, who are installing the gas system for the town of Coleman, would commence installations in the Improvement District early this week.

It was also mentioned that debentures with a rate of 6 per cent interest, were still available as the town issued the debentures to raise funds to install a town-owned gas system.

Meanwhile other Banister crews are putting service lines to homes and immediate service is being given to those homes that have the

gas furnaces installed and ready for hook-up.

The sidewalk program for this year is now completed and many new sidewalks in the residential area and several blocks of new main street have been laid this year by the contractors.

The work is being done under the government's five-year plan.

Council granted approval to the town crews to dig the water main to the new school site on the rodeo grounds with the cost of this work to be charged to the School District.

Elections for Mayor and Councillors to be Held

Three men, Jack Ostash, John Ramsay and John Salus have entered their names in the Mayorality contest, to replace Mayor Frank Aboussafy who retired this term.

Three seats on Council created by the resignation of Feruccio Dececco and the expiration of the terms of Walter Dibble and Angelo Toppino will be contested by Bert Bond, Walter Dibble, Joe Hanrahan, John Helyk, Rudy Szymank, Angelo Toppino and Joseph Wavrecan.

On the School Board the three vacancies were filled by acclamation as John Owen and John Salus were returned and James Park will replace Henry Zak, Jr., who did not enter a nomination.

Junior Red Cross Week, Sept. 23 - 29

This International project is just one of the many ways in which the youthful members of Junior Red Cross are doing their part to help and become friends with the children in other lands.

International assistance given by Alberta Juniors last year amounted to nearly \$25,000 which provided help to children in Cambodia, British West Indies, Hong Kong, Kenya and British Honduras.

Whenever a fire disaster occurs in Alberta or a major disaster strikes anywhere in the world, Junior Red Cross health kits are a major item for distribution to victims. These kits, made by Red Cross youth members, contain the necessary items for good health care and also include a small gift item... a friendly memento from the young Alberta donors.

Serve in Community

In our many Alberta communities, Junior Red Cross members give hours of voluntary service to brighten the days of hospital patients and shut-ins; they assist their Senior Society in the recruitment and registration of donors at blood donor clinics; help with distribution of campaign and water safety materials; entertain veterans and residents of Senior Citizens Homes; raise thousands of dollars to provide medical treatment for handicapped children in this province; undertake special projects to provide reading material, toys and games for children and hospital patients in Canada's northland and stand ready to volunteer their time and talent wherever and whenever they can be of service to their community.

The week of September 23 to 29 has been designated as JUNIOR RED CROSS WEEK... a week to spotlight the efforts of these young Red Cross volunteers, who are learning and practicing good health habits... finding both pleasure and satisfaction in being useful young citizens... and building bridges of friendship with other students in 76 nations of the world.

HOCKEY MEETING

All persons interested in having a Hockey Team in Coleman this winter are asked to attend a meeting in the Grand Union Hotel on Sun., Sept. 30th, at 2:30 p.m.

Need For Home For Senior Citizens In Pass Stressed

Considerable discussion is being held by various groups and persons in the Pass towns regarding the lack of available vacancies at the Crest View Home in Pincher Creek.

It is reported that a number of Pass residents have made application for admittance to the home but the board has been obligated to turn down the applications due to the home being filled to capacity.

Those local people who spend the winter months in the Home report excellent treatment and the homes are near enough to all the Pass towns so that the old people can be visited by friends and relatives.

An application was made recently by the town of Blairmore that the government give strong consideration to the erection of such a home in the Pass to cater to senior citizens in the Crows Nest Pass towns and immediate surrounding area.

Reports and financial statements issued by the Crest View Lodge during the past year show that there is no lack of persons to fill the homes and that those homes now in operation here show that operation is being conducted on a profitable basis.

The Coleman Community Library re-opened for the fall and winter term this month, and the board report that a good number of new juvenile and adult books have been added to the shelves.

Membership fees for the season will come due as of October 20, and members are asked to check their cards to keep dues up to date.

The committee are also planning to enforce the fine agreement on overdue books, and if books have been lost or damaged, it should be reported to a member of the board for adjustment.

Members are also asked that when they return books that they are to be placed on the desk and not on the shelves as this procedure causes unnecessary confusion for the librarian.

Empire Hotel Gets Face Lifting

The Empire Hotel, managed by Lessee John Bielech, of Coleman, is undergoing an eye-catching facelift this month as hotel owner, R. Kantor has completely stuccoed the outside of the building. The top storey of the building is colored a blue gray, while the bottom section of the hotel has been done in a light beige color.

The bottom section has been stuccoed and arranged so as to give it a block of large brick effect and the work greatly improves the appearance of the building and adds much to the Coleman main street.

The interior of the hotel was completely renovated during last year.

The Old C.N.R. Right-of-Way

The town of High River has tried on several occasions to purchase the old Canadian National Railway right-of-way through the eastern part of the town, but without success, and they have asked me as their Member of Parliament, to help.

Accordingly, I met with officials of the Board of Transport Commissioners for Canada on August 25 at Ottawa, and discussed High River's problem. This railway property interferes with the continuity of streets. Grass and weeds are permitted to go unattended, and in general, the unkempt ap-

pearance of the property detracts from the adjacent residential districts.

If successful at High River, farmers and others in the Municipal District of Pookhills, the County of Vulcan, and the Municipal District of Willow Creek eventually should be able to purchase the right-of-way through their property. Therefore, the outcome of developments at High River have a much broader application.

At the meeting in Ottawa, documents were produced by the board showing that authority was granted to build the railroad on August 7, 1912. That was 50 years ago. Under the Act, after two years the

authority to build lapses, and must be renewed by the railway company if the intention is to build. No request for renewal has been made since the original authority was granted in 1912. Considering the program of Branch Line abandonment and the financial position of the CNR, the weight of evidence points to the conclusion that the CNR never intends to construct this railroad, and certain Members of the Board at the Ottawa meeting expressed this view.

I especially asked the Board of Transport Commissioners for Canada to find out from the CNR if possible (1) whether any parts of this old right-of-way had been sold; (2) to have the CNR reconsider the request of High River, to the end of either selling to the town, or to private purchasers.

I understand that the Head Office of the CNR has been contacted in Montreal by the Board, and when further information is available, I shall try to keep you informed through the columns of your home weekly newspaper.

Fined For Defrauding U.I.C. Fund

A Pincher Creek man who had defrauded the Unemployment Insurance Fund of \$495.00 was sentenced on eight charges to pay a fine of \$2.50 or one month on each charge, sentences to run consecutively. He was allowed one day to pay total fines of \$500.00 and \$4.00 costs.

Allan Orcutt of Pincher Creek, appeared before Magistrate A. G. McLeod on September 13, 1962, and was convicted of making false declarations through the Blairmore Local Office concerning his employment and drawing 15 weeks benefit to which he was not entitled.

Mr. Orcutt had claimed to be unemployed during this time while in fact he was working for a Pincher Creek garage.

The fraud was brought to light by an Unemployment Insurance Commission investigator.

Rhymes of the times

REQUIEM

I've lost a friend; a faithful friend
 Who came each day to my door;
 He smiled with pleasure at a word
 And seldom asked for more.

He had no home, no fixed abode,
 He roamed our streets at will;
 Each day he came for a little chat,
 Or some such need to fill.
 I thought him very plain; in fact
 His whiskers were frowzy and long,
 But his stubby tail and smiling
 chops

Were cheerful, courageous and
 strong.
 It seemed that he was friend to all,
 Except the policeman's car!
 So he made his way in leisurely
 style,
 Like a prince who has come from
 afar.

But one day some boys were car-
 less and mean;
 They pulled his ears and tail;
 The sudden pain made him snarl
 and bite,
 Then one of them raised a wail.

He wailed and shouted for his
 mama;
 She cried at once for blood;
 Policemen came to hear the charge
 —Abuse flowed in a flood.
 My friend had none to plead his
 cause,
 Nor pay his licence fee;
 A guilty verdict soon was found;
 Condemned to death was he.

Our street is not the same today,
 Though its fixtures do not change;
 But a living, pulsing, friendly dog
 Has gone from his former range.

So here's a word of Requiem
 For a genial friend and true;
 I would that every man we meet
 Could prove as kind as you!
 —E. S. Fleming.

Jeunesses Musicales Concert To be Held in Blairmore

The Crows Nest Pass branch of the Jeunesses Musicales of Canada has been formed in Blairmore under the sponsorship of Blairmore Lions Club. Members of the local committee include T. J. Costigan, chairman; Lou Huntley, secretary, and members, Don Thornton, Eric Price, Mrs. Madeline Pinkney, Mrs. Beatrice Costigan, Mrs. Jean Burgman, Mrs. Catherine Amundson, Audrey Bonne, Frank Edl, Roy Upton and Rev. Denis Fleming.

The Jeunesses Musicales of Canada is largely supported by the Canadian Council and its main purpose is to encourage good music in the Dominion of Canada.

Four concerts a year are held and during each concert there is a lecture given on the music performed by the artists. One half of the concerts to be given are by foreign performers on exchange with Canadian performers.

The concerts for 1962 and 1963 for the Crows Nest Pass will be held in the Isabelle Sellen school at Blairmore and the first concert will be given by violinist Andrew Dawes, grand prize winner of the 1962 Jeunesses Musicales of Canada National Music Competitions. The lecture will be given by Mr. Dawes' sister, Mrs. Kolbison of Saskatchewan. The second performance will be given by William Stevens, pianist, and the next concert by Paul Kuentz Chamber Orchestra from Paris, France, and the final concert will feature the Ebert Trio from Vienna, which will comprise Lotte Ebert, violinist; Wolfgang Ebert, cellist, and George Ebert, pianist.

Memberships are sold for the series and entitle members to attend the four concerts and to ob-

tain the music publication of the Jeunesses Musicales of Canada.

The prime object is to encourage young musicians. The memberships cost \$3.00 per year for junior members (under 25 years); \$5.00 for adults and \$13.00 for families. Non-members ordinarily are not permitted to attend the concerts except under exceptional circumstances and admission charged could very well be much higher than the memberships.

Memberships can be obtained from any member of the committee and should be taken at once as the first concert of the four is scheduled to be held in the Isabelle Sellen school on October 10th.

Any person regardless of where he lives, may join the organization and take full benefits of this cultural program which is being brought to the Pass through the efforts of the Lions Club working in conjunction with music teachers and other interested parties.

According to Eric McLean, music critic for The Montreal Star, "In the field of music, the Jeunesses Musicales is unquestionably the most important thing that has happened in Canada, because it is aimed at the next generation of musicians and listeners."

Former Coleman Girl Wed At Ladysmith

St. Mary's Catholic Church in Ladysmith, B.C., was gaily decorated with summer flowers recently for the wedding of Dorothy Ann Wavrean, formerly of Coleman, and John C. Sedola, of Nanaimo, B.C. Officiating at the services was Father C. T. Albury, while soloist was John Buckman, who sang "O Perfect Love" and "On This Beautiful Day, O Mother". Organist was Miss Karan Stark of Ladysmith.

The bride was given in marriage by her father, Michael Wavrean. For her wedding she chose a gown of nylon organza sheer, styled with fitted bodice, bateau neckline with iridescent sequins, lily-point sleeves. The full bouffant skirt with a floral arrangement of similar sequins down the front flared over a hooped crinoline. The back featured a two nylon lace panel which flowed down to form the chapel train. The three-tiered pearl and crystal tiara held a nylon organza sheer finger-tip veil. She carried a bouquet of red roses trimmed with imported white Italian lace.

Maid of honor was Miss Joan Stark of Ladysmith while five other bridesmaids also assisted. They were all cousins of the bride and comprised Miss Marilyn D'Angelo of Duncan, Miss Doreen Wavrean of Calgary; junior bridesmaids were Julie Ann D'Angelo of Dun-

can, Susan Gergel of Duncan and Katherine Szadoski of Ladysmith. Miss Stark wore a mauve chiffon delta Haarem with bouffant skirt over taffeta while the bridesmaids and junior bridesmaids wore identical mauve and yellow gowns and rhinestone tiaras.

They carried umbrella fashioned bouquets of yellow and mauve carnations designed and made by the bride and her father.

Best man was Tom Mullan of Nanaimo, while ushers were Jim Krall of Nanaimo and Ken Wavrean, brother to the bride.

The bride's mother wore a mint green nylon sheer hand embroidered sheath with matching coat and white accessories and white straw hat trimmed with mint green. The mother of the groom chose a turquoise embossed taffeta dress with matching coat and a pink layer floral hat. Both ladies wore carnation corsages.

A reception was held at the Native Sons hall which was gaily decorated by the bride and her friends, where the wedding party and friends enjoyed a banquet dinner. The four-tiered wedding cake was made and decorated by the groom's mother. The head table was covered with a hand-made lace tablecloth and the floral arrangement was done by Mrs. R. Weaver, aunt of the bride.

The centrepiece was a replica of a gold wedding band and was flanked with gladioli, snapdragon and white roses, and silver candleabra. Master of ceremonies was

Maver Lavery of Nanaimo, while the toast to the bride was proposed by Joe Gergel and ably responded to by the groom. Toast to the bridesmaids was proposed by Tom Mullan.

After the reception the couple left by plane for a three-weeks honeymoon trip to Hawaii and returned via steamship to Nanaimo to reside. For her trip the bride wore a bone white veilla wool tail ored suit with shocking pink accessories, cloche hat and matching gloves and shoes. Her corsage was white orchids and shocking pink roses.

Attending the wedding from Coleman were Mr. and Mrs. A. Panek and family.

Special Camp Held To Select Boys For Jamboree in Greece

The week-end of September 7, 8 and 9, twenty-two First Class Boy Scouts from points throughout Southern Alberta, camped in the rugged country along the Kananaskis Highway north of Coleman to participate in special Scouting activities under the observation of a Selection committee.

These Scouts were recommended by their local district and possible candidates to attend the 11th World Jamboree for Boy Scouts at Marathon, Greece (32 miles from Athens). The Jamboree will take place August 1 to 11, 1963, and Scouts who attend will come from all corners of the free world.

Alberta has been invited to send 22 boys as a part of the 327 member contingent from Canada. Our Southern Alberta region has been asked to recommend four First Class Scouts as members of this Alberta representation. Initial selection was made by Special Interview committees in each of the 10 District Councils and the 22 boys who attended the Selection Camp recently, were graded on their Scouting knowledge and ability for the final selection.

The Camp commenced in a blizzard that engulfed Southern Alberta and exposed the boys to a very challenging circumstance in establishing their camp. Throughout the week-end the Scouts pitted their Scouting ability against the elements in tests of Orienteering over mountainous terrain, pioneering, observation, First Aid, tracking, and other basic elements of Scout craft. The average age of the boys was just over 15 years and Camp Chief Victor Peters, reported that the camp was of exceptional calibre and indicated the high calibre of training without an exception.

The boys camped individually in shelters and bivouacs, displaying many different methods of camping techniques. All equipment was packed in by the individual boy for his own use, and during the camp he was completely self-contained, doing his own cooking and camp chores for himself.

Selection of the boys was based primarily on their Scouting ability and knowledge. They were graded on every phase of their camp life and exposed to a series of conditions challenging their Scouting ability.

The announcement of the boys selected will be made Thursday evening at the meeting of the Southern Alberta Regional Council Board in the Lethbridge headquarters. All boys who participated will receive a letter advising them of the results on Thursday.
